NEXA FITNESS LIBRARY

Gym Safety Checklist

General educational guidance. Follow your facility rules and seek qualified professional advice when needed.

Prepare

Wear suitable footwear, bring water and follow the facility’s entry and hygiene rules.

Use a spotter

For challenging free-weight lifts, use a competent spotter and appropriate safety bars.

Keep the area clear

Do not leave weights or bags where people can trip. Keep walkways and exits clear.

Hydrate and rest

Take breaks, drink water and allow recovery between demanding sets.

Ask for help

Use qualified gym staff for equipment instruction. This guide is general information, not medical advice.
