Female Beginner Gym Plan

NEXA Fitness Library · Educational guide

These general fitness notes are educational and are not medical advice. Use qualified professional guidance when you have a health concern, injury, pregnancy-related need or uncertainty about exercise.

- Session A: warm-up, squat or leg press, chest press, seated row, hip hinge and a comfortable cool-down.
- Session B: warm-up, step-up or split squat, shoulder press, pulldown, glute-focused hinge and a comfortable cool-down.
- Choose stable, repeatable loads and increase gradually as technique becomes comfortable.
- Recovery, hydration, sleep and sensible nutrition are part of a sustainable training routine.

Safety reminder: use equipment as instructed, start within your ability, and stop if something feels unsafe or abnormal.
